SECOND MOTION FOR EXTENSION OF TIME

Comes the Consumer Advocate Division, on behalf of Tennessee consumers and the Attorney General & Reporter, and hereby requests an extension time until Thursday, May 18, 2000, to file testimony in the present case. The Consumer Advocate Division was previously granted an extension until Wednesday, May 17, 2000 to file testimony but certain original documents, including documents with original signatures, were revised on late Tuesday, May 16, 2000, with the result that it was not possible for the originals to be signed and sent for delivery on Wednesday, May 17, 2000. For cause the Consumer Advocate Division would show as follows:

1. The Consumer Advocate Division and Nashville Gas have reached a tentative settlement in this case and are currently preparing documents setting forth that settlement.
2. If the case is settled, the testimony will be different from that originally anticipated by

the Consumer Advocate Division and will require revision.

3. Certain original documents, including documents with original signatures, were revised on late Tuesday, May 16, 2000, with the result that it was not possible for the originals to be signed and sent for delivery on Wednesday, May 17, 2000.

Wherefore the Consumer Advocate Division moves the TRA to grant the Consumer Advocate Division an extension of time until Thursday May 18, 2000 to submit testimony.

Respectfully submitted,

Vance L. Broemel, 11421
